TRUSTED
SINCE GENERATIONS

— Our Vision —

Our Vision is to become the one point hub for providing all sort of Single & Blended Spices, Pickles & other food products, targeting the Organic origin of all products for their supreme quality and taste, focussing on constant and reliable growth in market.

— Our Mission —

Our mission is to provide the finest quality of products to our customer meeting their Expectation and taste. Building Customer trust to opt to a greater experience in newly developed range of products with maximum acceptance.

— Why Choose us ? —

De Molen Exports Pvt Ltd was established in 1996. Since, the company is specialized in the mixed container business of spice products, blended spices, processed foods, rice, and cereals products. We are manufacturing **Spices, Blends, Seasoning** with the highest aspect of hygiene and food safety, complying with all the standards and regulation of food, holding the standard certificates of **Vegan, Halal, Organic** and **ISO 22000:2018** standard and hence making sure our customers get most finest quality of the product.

Quality policy

We are striving to provide the best products to our customers by complying with our policy:

- 1) To keep up, Improve and evaluate the standards of manufacturing/ food processing.
- 2) Regulating and maintaining hygienic and safe food processing aspects throughout manufacturing.
- 3) Identifying the needs of training and regularly updating the system and workforce about food safety and hazard control.
- 4) Recording, auditing & evaluating every point of change in the system at each stage.
- 5) Powering & building the system with effective traceability.
